

## Food Systems Solution Dialogues

### PLANNING for Food Systems Transformation

Wednesday 27 April, 8:00-9:30 CET and 16:00-17:30 CET

**Objective:** This webinar aims to establish the operational link between the Hub, the Convenors and the UNCTs by:

- Presenting the workplan and Key Functions of the Hub
- Introducing the Hub team and Team members responsible for Key Functions
- Further refine a shared understanding of immediate needs and requests from Convenors
- Discuss the possible impact of the food impact of the war in Ukraine on the implementation of the NPs (if DSG request is confirmed)

**Format:** 2 x 1.30 hour sessions

**Interpretation** offered in Chinese, Russian and Arabic (morning), and French and Spanish (afternoon).

#### Agenda:

##### 1. Welcome and introduction (5 mn)

Stefanos Fotiou, Director, UN Food Systems Coordination Hub

(Including but not limited to:

- Purpose of meeting
- Introduction to the Food Systems Solution Dialogues Series
- General update with some language on Ukraine Crisis if DSG request is confirmed
- The FST Triangle at country level
- Rationale for the Hub's WP – quick refresher on the needs analysis survey and report)

##### 2. Presentation of the Hub's Workplan by key functions (30 mn)

- **Facilitate the Implementation of National Pathways**

Ms. Sylvia Lopez-Ekra, Deputy Director

- **Communicate & Advocate for a Food Systems Approach**

Ms. Sylvia Lopez-Ekra, Deputy Director

- **Leverage Means of Implementation**

Ms. Nadine Gbossa, Chief, Means of Implementation

- **Strengthen Strategic Thought Leadership for Food Systems Transformation**

Ms. Nadine Gbossa, Chief, Means of Implementation

**3. Brief Q&A on the Hub's Workplan (10 mn)**

**4. Break-out Groups (25 mn)**

Introduction : Ms. Sylvia Lopez-Ekra, Deputy Director

***The groups will discuss all the questions clustered in two parts– they will be parallel but organized along linguistic preferences.***

1. Reflections on the priorities and the FST Triangle at country level
  - a. Do the priorities as crystallized in the needs analysis report reflect their reality?
  - b. how to best tap into the FST Triangle for the implementation of the NPs?
  - c. What should the Hub do to best support?
2. The 2023 Stocktaking Moment
  - a. What would success look like?
  - b. How do they see the journey from now till then and their role?
  - c. How can the Hub help?

**5. Report to Plenary (15 mn – 5 mn each)**

3 rapporteurs
